

LWVIN Convention

We have about one month to form our delegations and make reservations for our Convention, the important biennial “major business and program-planning meeting” of LWVIN. Here are the essential details:

- Theme:** “The League for the Future”
Location: Turkey Run Inn, at Turkey Run State Park, Marshall, Indiana
Dates: Saturday 27 and Sunday 28 April 2013
Hours: noon Saturday to 3pm Sunday
Cost: \$68/delegate registration; \$34 Saturday-only observer; \$34 Sunday-only observer
Lodgings: To reserve rooms through the park service, call 877-563-4371; ask for the League of Women Voters of Indiana conference rate, using code 0427wy.

Please make your reservations for lodgings at Turkey Run State Park and complete the delegates' registration form right away. (See next page.) Because of our decision to hold Convention in beautiful park surroundings, we have an especially early deadline for room and food reservations, one month before our event, 27 March! LWVIN registration payment will be made at the door, but, of course LWVIN will be responsible for all event expenses (speaker mileage, food, use of meeting rooms, convention materials, etc.) even if a delegate has to cancel at the last minute. Everyone registered two weeks beforehand (April 13th) will be expected to pay.

Registration — Attached is a registration page. Reproduce it as often as needed.

Delegation – Convention is a great learning opportunity, whether participants are new to LWV or are seasoned by years of experience. Please send a full delegation if you can:

Every local	2 voting delegates
40+ members	3 voting delegates
60+ members	4 voting delegates
80+ members	5 voting delegates
100+ members	6 voting delegates
120+ members	7 voting delegates
140+members	8 voting delegates

Leagues may register any additional number of observers. Often this is especially convenient for Leagues geographically near the site, since it is interesting for local members to visit.

Silent Auction – As you arrive, plan to bring new and very gently used items to add to our silent auction tables. The sale is fun for participants and helps keep the registration costs low. Usually we have a selection of themed baskets, foods and recipes, books, handiwork, patriotic decorations, plants, etc. Think of what would interest others in your League.

General Notice – The planning committee expects to send this information to all Indiana LWV members later this week; so do not be alarmed if you receive it again.
